## Drinking Water Economic Recovery Funding Application Instructions for Form 780-2032

Water Protection Program fact sheet

1/2009

**Note**: Any funding assistance is subject to all State Revolving Fund requirements. Potential applicants should contact the Financial Assistance Center prior to completing and submitting an application. Please contact the Financial Assistance Center at 573-751-1192 or toll free at 800-361-4827.

- 1. Print or type the applicant information. Include a street address if available. The applicant is the entity that will receive the loan funds if awarded.
- 2. The contact noted on the application should be knowledgeable about the application and able to be contacted during business hours.
- 3. Include the engineering firm name and the professional engineer working on the project.
- 4. Show the population of the entire service area. The "population served by PWS" will be different from the census population if the project is to serve a portion of the municipality or district.
- 5. Provide the U.S. congressional district number(s), state senate and state representative district number(s) for the project area.
- 6. Check the appropriate box if the public water supply has a certified chief operator or an emergency operations plan.
- 7. Supply the cost estimates for the project.
- 8. Provide a cost breakdown by category of need.
- 9. State the source of repayment for the loan and if it is in place and available at this time.
- 10. Provide information on existing or proposed ballot issues. If a bond or tax issue has already been voted, please provide a copy of the ballot language and certified election results.
- 11. The information included in Section 11 will be used to determine the financial capability of the applicant with respect to the proposed project. Please provide the most accurate information available.
- 12. Show the revenue minus expenses for the last fiscal year. Please include the beginning and end of the fiscal year if not using the calendar year.

- 13. In Section 9 "Affordability" the median household income (MHI) is based on the most recent census.
- 14. Fill in the current rate for a 5,000 gallon user and what the estimated rate will be at project completion.
- 15. Please check all boxes that apply to the proposed project and include descriptions or additional comments as needed. Additional information from these descriptions and a preliminary engineering report, or PER, will help in determining priority.

**Note:** Please look at the priority ranking criteria developed by the department. Doing this will help you to maximize the priority points received for the project.

Incomplete Applications will be Returned

- Sign the application and attach any information that will enable the department to prioritize you drinking water needs.
- If you are using funds from U.S. Department of Agriculture-Rural Development or Department of Economic Development, Community Development Block Grant Program, be certain that you have included this information with the application.
